WARRANT FOR THE ANNUAL TOWN MEETING

The State of New Hampshire

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the thirteenth day of March next at ten of the clock in the forenoon to act upon the following subjects:

(Polls open from 10:00 a. m. to 7:00 p. m.)

1. To choose all necessary Town Officers for the year ensuing. Meet at seven of the clock in the evening to act on the rest of the articles in the Warrant.

2. To raise such sums of money as may be necessary to defray town charges for the coming year and make appropriations of the same.

3. To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

4. To see if the town will authorize the Board of Selectmen to sell, lease or otherwise transfer real property acquired by the town by Tax Collector's deed in a manner for the best interest of the town.

5. To see if the town will vote to appropriate \$2,000.00 from cash surplus and \$1,000.00 from the capital reserve fund established in 1961 to trade the present International tractor and loader for a new tractor and loader.

6. To see if the town will vote to raise and appropriate the sum of \$1,000.00 this year, and authorize the Selectmen to borrow the sum of \$2,000.00 to be repaid at the rate of \$1,000.00 a year for the next succeeding

two years for the purpose of installing a central heating system and relocating the Town Offices to the basement of the Town Hall.

7. To see if the town will vote to accept from the State of New Hampshire approximately 116 acres of land lying east of the railroad, west of Route 93 and north of the Canterbury-Boscawen road for development as an industrial area; to raise and appropriate a sum not exceeding \$1,000.00 to purchase said land and enable the town to acquire a right of way to said land by purchase or condemnation from the Boston & Maine Railroad or other abutting owners and then give the selectmen authority to borrow not to exceed this amount with such borrowing to be repaid from the proceeds of the sale of any such land; to authorize the selectmen to sell at such price as they deem appropriate all or any part of said land for industrial use subject to approval by the Zoning Board of Adjustment as required by the Zoning Ordinance.

8. To see if the town will vote to raise and appropriate the sum of \$700.00 to replace electrical wiring and fixtures in the Elkins Public Library.

9. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this sixteenth day of February, in the year of our Lord nineteen hundred and sixty-two.

ROBERT V. LEE,
ARTHUR G. BROWN,
SARGENT GOODHUE,
Selectmen of Canterbury.

A true copy of Warrant — Attest:

ROBERT V. LEE,
ARTHUR G. BROWN,
SARGENT GOODHUE,
Selectmen of Canterbury.

CLERK'S REPORT OF THE MARCH 14, 1961 ANNUAL TOWN MEETING

The annual meeting was called to order at 10:00 a. m. by Moderator Carl A. Thunberg. The certification of the check list was read, followed by the reading of the posting of the Warrant. The articles of the Warrant were read. The assembly voted to work under Article I of the Warrant until seven o'clock p. m. and to close the polls at that time and to then act on the items in the Budget and the other articles of the Warrant.

The action under Article I resulted in the election of the following Town Officers:

Selectman for three years — Sargent Goodhue

Town Clerk for one year — Sabin N. Guertin

Treasurer for one year — Richard A. Dickson

Tax Collector for one year — John C. Malcolm

Road Agent for one year — Philip K. Stone, Sr.

Auditor for two years — Donald Frary

Trustee of the Trust Funds for three years —

Raymond Glines

Library Trustee for three years — Jeanne Malcolm

At seven o'clock the polls were declared closed. The budget was examined and amended as follows: addition of six dollars and four cents for Town Road Aid was voted. The Budget was accepted at this time for the sum of \$35,187.02.

Then followed the articles of the Warrant to be acted upon and as the business of Article I was completed, the first article to be considered was Article II. The results of the voting and action taken on all Articles follows:

2. To raise such sums of money as may be necessary to defray town charges for the coming year and make appropriations of the same. Accepted as read.

3. To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes. Accepted.
4. To see if the town will authorize the Board of Selectmen to sell, lease or otherwise transfer, at public sale, real property acquired by the town by Tax Collector's deed. Accepted.
5. To see if the town will vote to raise \$50.00 to be expended in co-operation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose. Accepted.
6. To see if the town will vote to establish a Capital Reserve Fund of \$1,000.00 to be taken from cash surplus as authorized by Article 35:1 of the N. H. Revised Statutes Annotated, for replacement of highway equipment. Accepted.
7. To see if the town will vote to raise and appropriate a sum of \$300.00 for Blister Rust Control in Canterbury for 1961. Accepted.
8. To transact any other business that may legally come before the meeting.

No further business appearing, the result of the balloting was announced by the Moderator, and then it was voted to adjourn the meeting.

A true report to the best of my knowledge,

SABIN N. GUERTIN, Clerk.

* To be allocated on a per admission basis, between the Concord, Franklin and Laconia Hospitals.

SELECTMEN'S LETTER

Last year the Selectmen stated that the town would have to be reassessed. We feel due to rapid rise in the costs that it should be done this year. The selectmen are studying the most reasonable means for reassessment.

We ended this year with a sizeable cash surplus of \$4,345.43. Much of this came from an unexpected amount of income in the highway department. Therefore, we propose using \$2,000.00 of this surplus to trade the International tractor rather than borrow the money and pay interest.

This year more than one mile of dirt road was hard surfaced. This was financed partly with gas tax money and the balance with TRA funds.

The Canterbury-Boscawen bridge is still at a stalemate. We feel that if we are forced to raise the load limit to six tons we should close the bridge rather than risk injuries, loss of equipment or even lives. The Selectmen hope that a bill can be introduced in the next legislature, in cooperation with the Town of Boscawen, to have the State of New Hampshire take over the bridge.

ROBERT V. LEE
ARTHUR G. BROWN
SARGENT GOODHUE

REPORT OF THE CANTERBURY PLANNING BOARD

The activities of the Planning Board during 1961 centered around five projects:

1. A well attended Tax Forum was held March 10th and was addressed by a panel of three outstanding tax authorities. It was the concensus of opinion that the State should enact some form of broad based tax, with the funds so collected distributed to the towns to relieve the burden on real estate.

2. Negotiations to acquire for the town approximately 116 acres of land and access thereto which may be developed as an industrial park to provide increased employment opportunities and to provide higher tax revenues for the town. An article dealing with this project is included in the warrant.

3. A plan that would improve the basement of the town hall to provide the Selectmen with an adequate office, waiting room and file room for town records and at the same time, provide heat for the town hall as needed for meetings and free a stall at the town garage to shelter the school bus. An article dealing with this project is also included in the warrant.

4. Studies have been made of several sites for a new cemetery that is urgently needed. Although several sites are under consideration, no completely satisfactory solution of this problem has yet been found and suggestions would be welcome.

5. An effort has been made to determine the original names of all roads in the town and a recommendation has been made to the Selectmen that a program of gradu-

ally installing adequate road signs be initiated. Such signs are required by State law and would facilitate directing emergency vehicles and make it easier for strangers to locate town residents.

ELKINS PUBLIC LIBRARY

Trustees' Report

Your library has added several new activities in 1961 for your benefit. They include family interest movies and a children's story hour.

Many of these activities, including the two evening openings, are possible only by the assistance of the "Friends of the Library." In 1961 a "Junior Friends" group was formed which gave special help during National Library Week and with story hour programs. Your trustees wish to commend to you and to sincerely thank these "Friends," both Senior and Junior, who have helped make your library more useful to you.

A large number of the new fiction books which have been available to you in 1961 were donated to the library. Your trustees are very grateful for this addition for your reading enjoyment.

Your Librarian attended a Librarians' Institute at the University of New Hampshire last summer. She has added the children's story hour to her regular activities.

Your library is associated with four other nearby town libraries in a book purchasing program in cooperation with the Shieling Trust and the State Library. The Trust provides funds to help libraries buy books which would ordinarily be beyond their limited budgets. These books are selected by the member libraries. Your library is also able to buy books through this group at very favorable discounts.

The activities and program during National Library Week won an honorable mention award for your Elkins Library.

Exhibits at your library included displays in connection with National Library Week and National 4-H Week. During Old Home Week, Civil War items were shown. A group of paintings has been exhibited during the fall.

Your trustees have started a program of improvements to the library building. Storm windows were installed to make your library more comfortable during the winter months and to help reduce heating costs.

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT, INC.

The year 1961 found Canterbury burdened with 25 fire calls for the year. One of these, our only out of town call, was to assist the Town of Loudon in fighting a brush fire in that community. In return for this service, our neighboring towns assisted us at two of our local fires.

The other fires consisted of 11 chimney fires, 3 building fires, 3 automobile fires, 6 brush or grass fires and 1 fire at the town dump.

The rise in the number of chimney fires this past year indicates that we as a community may be getting lax about caring for our heating systems. The Lyford place was a complete loss by what started out as a chimney fire. Another building suffered considerable damage from a chimney fire before it was extinguished. I therefore wish to caution everyone not to treat a chimney fire lightly and to periodically check and clean chimneys and heating apparatus.

The three building fires were a barn at the Henry Welcome residence in Northfield of undetermined origin, the Lyford place just north of the Shakers and a camp owned by Rex Van Blarcom on Hackleborough road. The camp was a total loss due to a fire caused by a defective stove.

Although we had 6 grass and brush fires, Canterbury was fortunate that the losses were kept small.

The three car fires were one wreck being cut up at the Ralph Brown residence, one fire on the north bound lane of the turnpike and one resulting from an accident on Route 3B at Sargent's corner. Fortunately no personal injuries resulted from these fires.

Your department has done a good job, the community has backed them splendidly, and as a result, Canterbury continues to enjoy a good fire record. Let us keep fire-conscious at all times, take every opportunity to practice fire prevention, keep our heating and cooking equipment in proper order and Canterbury will continue to be a safe community free from serious fire problems.

RALPH W. KEELER, JR.,
Fire Chief.

An Appeal from Your Forest Fire Warden

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets many fires, but we have no control of lightning. Children cause many fires. Ninety-eight per cent of our forest fires result from human carelessness — our carelessness. This we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.

4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 Fire Record

Number of fires, 3.

Number of acres burned, $\frac{1}{4}$.

Number of permits issued, 78.

GERALD H. HIGHT
District Fire Chief.

COLIN HEATH,
Forest Fire Warden.

REPORT OF TOWN AUDITORS

We have examined the records of Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Elkins Public Library, Canterbury Volunteer Fire Department and the Selectmen for the year ended December 31, 1961 and have found their accounts correctly cast and properly vouched.

ARCHIE W. BERRY,
DONALD FRARY,
Town Auditors.

CIVIL DEFENSE MEANS YOU !

The Federal Government will soon begin several programs to improve Civilian Defense readiness in 1962.

Most of this activity will be of an informational type designed to make people aware of the threat of atomic warfare, and the means of protection against the same.

Insofar as Canterbury is concerned, it is up to each of us to prepare ourselves for any national emergency.

Here are three basic objectives that each household should work toward immediately:

1. Education — Inform yourself and the other members of your family about radioactive fallout. The most complete and up-to-date information from the Defense Department is now available at the Town Library.
2. Family Plan — Develop a family emergency plan. Where you will meet if the members of your family are dispersed at the time of an emergency — Who should do what and go where if an atomic attack should come today — The decisions you make today will help to avoid confusion and may mean survival tomorrow.
3. Shelter — Develop a fallout shelter with reserve food and water. The most incomplete or simple shelter will provide some protection against radioactive fallout. This shelter need not be expensive — see the Defense Department booklet for more information.

Civilian Defense for Canterbury is not going to be accomplished in Washington, D. C. — it is our individual responsibility.

OLIVER FIFIELD.

Regular Meeting, School Board, Third Wednesday of
the Month, 7:30 p. m.

SCHOOL WARRANT**The State of New Hampshire**

To the Inhabitants of the School district in the town of Canterbury qualified to vote in district affairs:

You are hereby notified to meet at the Canterbury School in said district on the tenth day of March 1962 at six forty-five o'clock in the afternoon, with the moderator opening the meeting, declaring the polls open for voting from six forty-five o'clock to seven thirty o'clock and from eight forty-five o'clock to nine o'clock for school district officials and declaring the business section of the meeting open at seven thirty o'clock for action on articles 5-10 inclusive.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the 1962-63 school budget to be used for the salary of an additional teacher and alterations to the present class-room in the basement of the Canterbury School to establish two classrooms.

10. To transact any other business which may legally come before this meeting.

Given under our hands at said Canterbury this thirty-first day of January 1962.

CANTERBURY SCHOOL DISTRICT MEETINGMarch 11, 1961

Eligible Votes 296

Votes Cast 47

Meeting opened at 6:00 p. m. by the Moderator, Carl A. Thunberg, with the reading of the warrant.

Business meeting began at 7:30 p. m.

Article 1—Moderator elected, Carl A. Thunberg.

Article 2—Clerk Elected, Charles H. Smith.

Article 3—School Board member elected, Richard Stevens.

Article 4—Treasurer elected, John C. Malcolm
Auditors, Archie W. Berry, Jr. and Donald
A. Frary.

Article 5—Accepted as read.

Article 6—Moved that committee be extended one
more year. Defeated.
Accepted as in Town Report.

Article 7—Accepted as read.

Article 8—Moved to be taken up item by item.
Accepted as read.

Article 9—Moved: That the district officially accept
the recommendation of the School Board
and name the School "Canterbury Com-
munity School." Amended to leave out the
word "Community." Accepted as amended.

Article 10—Motion was made to give the School Board authority to purchase and enter into contracts in securing a note of an amount of the purchase price of a bus. Motion made to table by Donald Blanchard. Accepted as read.

Article 11—Moved: To see if the district will authorize the school board to use any surplus from the 1960-61 budget, exclusive of the Valley Trust Company dividend, towards the purchase of a school bus if authorized by action of the district under Article 10. Passed as amended.

Article 12—Accepted as read.

Article 13—Defeated.

Meeting adjourned at 9:45 p. m.

CHARLES H. SMITH
School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board,
Parents and Citizens:

This report includes information concerning statistics and other data about your school.

The graduates of your school make excellent records in high school and college, and are living examples of the success of your financial investment in education. A few random records from newspapers, and undoubtedly there are many others of equal stature, show:

- (1) Canterbury had six of its nine pupils in Rundlett Junior High School on the Honor Roll, including Lucybell Keeler, Penny Meeh, Heather Booth, Diane Guertin, Susan Goodhue, and David Malcolm.
- (2) Roger Comee in Concord High on the Honor Roll, Cross Country, and selected for the St. Paul's Summer School for outstanding high school pupils.
- (3) Thomas Gilmore on the National Honor Society and Honor Roll at Penacook High, special scholarships offered at Cornell University and Dartmouth College, excellent record at Dartmouth.
- (4) James Guertin, captain of soccer and baseball, vice-president of senior class, awarded the Citizenship medal at Penacook High.
- (5) Sandra Cochrane, Treasurer of senior class at Penacook High.
- (6) College honors for Sharon Ferrin and Bruce Goodhue at the University of New Hampshire, Robert Baker at Citadel, and Rebecca Hildreth at Principia.

- (7) Ralph W. Keeler, III, selected from the army on competitive examinations for West Point.

May I express my deep appreciation to Douglas L. Ruesswick, Chairman, Neal D. Andrew, and Richard L. Stevens for their excellent work on the Canterbury School Board. They deserve the appreciation of all for their devotion to duty, their many long hours of meetings and consideration of school problems, and their zeal in continually trying to improve the school at the lowest possible burden to the taxpayers.

I wish to thank the Principal and teachers, the bus operators, the custodian, the Parent-Teacher Association, all civic groups, and all parents and citizens for their cooperation.

Cordially yours,

GORDON L. FOX,
Superintendent of Schools.

THREE FIRSTS

First Bus — Its First Passenger

Her First Day of School

In the picture above Melissa Dudley takes her first step into a formal education. You have assisted in making this most important day in her life successful by providing new improved transportation, an up-to-date school building, a trained teaching staff, modern teaching aids and a sound basic curriculum.

As your school board we want to report to you the accomplishments of the past year and preview the problems facing us.

For several years we have felt the need for a man on the teaching staff. This has been accomplished by

the addition of Mr. Stanley Brown as principal and teacher. At last year's meeting you authorized the purchase of a school bus to more adequately meet the transportation needs of the district. A low bid by Banks' Chevrolet resulted in purchase of the vehicle pictured on the front cover of the Town Report. This we feel will prove to be a wise investment. Television has been made available as an educational medium through the generosity of a friend of our school system, the use of the Freedom Foundation award and extra National Defense Education Acts funds. Improvements to the school include added electrical outlets in each classroom and installation of cove molding in the halls and service areas.

In addition to meeting twice a month your board has attended Union and State meetings, appeared before legislature committees and taken every possible opportunity to work with other groups in studying and evaluating our program. We appreciate the efforts of Mr. Fox, our Supt. of Schools, the PTA, the Women's Club, the library trustees, librarian, and others in assisting in making our program better.

We find, however, that like all other communities our school population is increasing. With this increase the needs for enlarged facilities, additional staff and a more adequate maintenance program are becoming a pressing problem.

The first expansion of facilities may be met by dividing the present basement classroom into two units. This, of course, also requires the addition of another teacher. This addition of the classroom and teacher would be educationally advantageous in the next school year and is essential in 1963-64 if we are to continue our present program. Looking still further ahead (5-7 years) we can foresee approximately 80 in high school (present tuition \$480 per student) and 175 students in our elementary grades. This is not a distant problem but one that is here today and this does not take into account an increase in the present population or community growth.

Our new bus has not been garaged this winter due to a lack of adequate facilities. This problem is being given serious consideration by the selectmen and planning board with the hope that this situation may be corrected in the near future. Our present contract on the large school bus expires next year. We firmly believe that the purchase of another bus at that time will be financially advantageous to the community.

A thorough study of the water system and plumbing at the school reveals that it may need extensive repairs and replacements in the near future. Already some piping has been replaced due to the corrosive action of the water and the strong cleaners necessary to remove the stains. We have been informed that before an adequate filtering device is installed the well must be improved and some changes made in the pumping system.

The present building is in good repair yet we are rapidly approaching the time when a regular repainting program should be considered. Inadequate yearly maintenance becomes expensive future repairs.

All of the above plus other regular items reflect one major problem of our school — the need for additional money at an ever increasing rate.

Canterbury must face these problems squarely if we are to continue to improve our most important community asset — “Our Youth.” Higher and higher expenditures are inevitable. A future tuition bill equal to more than half of our present budget is not far away. A fifty per cent increase in our elementary school expenses is very conservative. We ask your earnest consideration of this, YOUR school program. It is important.

The District meeting is being held in the Canterbury School to provide you with an extra opportunity to inspect your school facilities.
